Cut DSP to 8.5 x 12 in.

1. Score at 2.5 and 6 inches the short way (8.5 inch long side).
2. Score at 1.25, 2.5, 5 7, 9.5 and 10.75 inches the long way 12 inch long side).
3. Score diagonally to form a triangular flap on all four corners, as shown.

4. Holding the paper vertically, fold in the four diagonal flaps, then fold in the two sides.
5. Fold the top and bottom end flaps in and adhere down to reinforce the top of the holder.
6. Fold on the middle two scores to form the bottom of the holder.

7. Put two small cookies in a clear envelope and seal shut.
8. Place cookies in the holder and staple the upper part of the envelope along with the top flaps.
9. Insert two individually-wrapped tea bags into the pockets formed by the diagonal DSP folds.
